

**Directions To Marine Offshore Designers (1987) Ltd. - Aberdeen
From South (A92):**

From Stonehaven on the A92, exit on the A956 following signs for Aberdeen harbour. Go over two roundabouts (following signs for the harbour), proceed half mile through two sets of lights and passing the 'LIDL' and 'Somerfield' supermarkets. Continue for a further half mile to cross the 'Queen Elizabeth II' bridge. Take the right hand lane and at the roundabout turn right, again following signs for the harbour. You will pass a BP and ESSO garage. Stay in the right hand lane and go straight over at the next roundabout. You are now in 'North Esplanade East'. Proceed ahead for 300m and bear left into Midchingle Road. A further right turn to pass the new BP base and finally a small left / right turn will bring you directly to our office on the right hand side (through the light blue doors on the right of 'Craig Group' and 'North Star Shipping').

All Other Routes:

Follow both roads into the city centre using Aberdeen harbour signs. These will eventually lead onto 'Union Street' (the main shopping street of Aberdeen). Turn left into 'Market Street' and go straight ahead at two sets of lights, passing the harbour on your left. Proceed to the roundabout and turn left onto North Esplanade East. Proceed ahead for 300m and bear left into Midchingle Road. A further right turn to pass the new BP base and finally a small left / right turn will bring you directly to our office on the right hand side (through the light blue doors on the right of 'Craig Group' and 'North Star Shipping').
